Where necessary this verbal warning must be issued to any server who breaches the rule prior to a foot fault being called against them. The receiver’s partner must be standing between the service line and the net when calling a foot fault under Rule 18(b). 5.13 The full fixture results shall be returned to the Munster Branch office by the winning team captain or the home teams captain in the event of a draw, **within 48 hours** of the completion of the fixture.
